# THE WORLD OF CARTOON CREATION

At Toon Creations, cartooning is at the heart of a joyful artistic journey,  
helping students build confidence in a supportive environment.

## CARTOONING BASICS

During this workshop kids will be guided step-by-step to create their own cartoon characters. With a relaxed, open approach, they experiment with shapes, lines, and expressions, gaining the confidence to bring their unique characters to life.

## FAMOUS CHARACTERS AND STYLES

They explore beloved characters from famous animation studios, learning to recreate them through basic shapes and symbols.

## BOOK WEEK INSPIRATIONS

This adaptable workshop aligns with your Book Week theme, as students illustrate beloved literary characters and weave their imagination into vivid narratives.

## DESIGNING COMIC STRIPS

In this workshop, students create their own comics, learning to structure panels, develop characters, and craft engaging dialogue, so they can confidently share their stories.

## THE CHARM OF ANIME & KAWAII

Delve into anime and kawaii, capturing the charm of everyday objects and the emotional depth of anime, crafting their own characters and worlds.

# HANDS-ON CREATIVE WORKSHOPS

Toon Creations extends beyond cartooning, inviting students to explore painting, Posca and Sharpie designs, airbrushing, and slime in a creative environment.

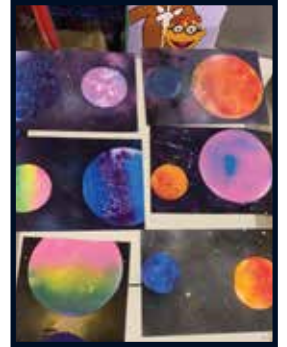

## CANVAS PAINTING SESSIONS

Students immerse themselves in painting, creating whimsical backgrounds with silhouettes, while exploring styles like spinning art and pop art.

## AIRBRUSH ART TECHNIQUES

Kids will explore airbrushing techniques, experimenting with colour, layering, and stencil effects.

## FUN WITH POSCA & SHARPIE DESIGNS

In this workshop, students personalize items like money boxes or water bottles, combining bold freehand designs with precise Posca painting for lasting impact.

## SLIME LAB CREATIONS

This hands-on session lets students make their own slime, enhancing fine motor skills as they experiment with textures - fluffy, glow-in-the-dark, or glitter.

# ELEMENTS OF FINE ART

These workshops guide students through the core foundations of fine art, focusing on essential skills in each category.

## STILL LIFE STUDIES

Students practice drawing everyday objects, honing their eye for detail, proportion, and composition.

## EXPLORING ARTISTIC MEDIUMS

They experiment with different tools—graphite, charcoal, inking—building flexibility and technical skills.

## ANATOMY AND PORTRAITS

This session deepens their understanding of human anatomy, from facial features to full-body proportions.

## INTRODUCTION TO PERSPECTIVE, LIGHT AND SHADOW

They learn how perspective and shading add depth, bringing their artwork to life with realism.

At the end of the workshop, students will walk away with newfound **creative confidence**, **practical artistic skills**, and a **stronger ability to express themselves**. They'll have crafted their own characters, explored new mediums, and gained the confidence to bring their ideas to life.

# FAQ

**Q: HOW MUCH DOES A TOON CREATIONS INCURSION COST?**

A: Pricing starts from \$270 + GST and varies based on group size and number of sessions booked. Contact us for an accurate quote tailored to your needs.

**Q: WHAT SETUP DO WE NEED?**

A: We can run the workshop on a whiteboard, smart board, in a class room/library setting with tables or something to lean on or in an auditorium, with projection options to suit your space.

**Q: HOW FAR IN ADVANCE SHOULD WE BOOK?**

A: For busy times like Book Week or the end of the year, we suggest booking a few months ahead; at quieter times, about two weeks' notice usually works well.

**Q: ARE THE WORKSHOPS SUITABLE FOR ALL SKILL LEVELS?**

A: Yes! Each workshop is designed to support participants at every level, from beginners just starting out to those with more advanced experience.
